

EPOS

IMPACT SDW D1 USB

# IMPACT 5000 Series

Keep a clean workspace and stay mobile in the office, thanks to a plug-and-play dongle for your PC that makes your IMPACT 5000 Series headset as dynamic as you are. Around the office or working from home the DECT dongle optimizes your productivity.

We are rebranding from EPOS | SENNHEISER to EPOS branding on our products.  
During the transition period the same product may exist in both versions

# Key Features

## Discreet, handy dongle size

Plugs neatly into your laptop and is easy to unplug and transport

## Neat, plug-and-play solution, no base station necessary

Keeps desks clear and flexible so your workers can work effectively anywhere in dense office environments

## Rubber casing for dongle

Anti-slip and easy to grasp for an instant plug-and-play solution

## Make your DECT headset mobile

With a dongle connected directly to your PC for seamless functionality of your IMPACT 5000 Series headset in any workplace

## Simple hot desking and remote working

Fast, secure pairing between headset and PC wherever you work
